Budget Considerations

Property & Parcel Taxes

Property Tax. Placer County has targeted a rough estimate of the Assessed Value (AV) growth for the District between 4% and 7%. As the District has historically taken a conservative approach to revenue budgeting, the budget will anticipate 5% increase in Property Tax (Fund 500) applied to known FY2020-21 revenue. Supplemental revenue has been budgeted by applying the county's graduated payment method to 75% of supplemental revenue received through February 2021. The resulting property tax budget is \$5.43MM as compared to \$5.33MM for the prior fiscal year or a 1.95% increase over the prior year budget.

Measure E Parcel Tax. The Measure E parcel tax (Fund 500) has been budgeted for an increase of 4.13% based on the percentage change of the *CPI-Urban Wage Earners and Clerical Workers* for the *San Francisco-Oakland-Hayward, CA* area from April 2020 to April 2021.

Of the total Measure E Parcel Tax, Fuels Management (Fund 620) is budgeted to receive \$261,830 of the \$379,400 available per the District's Reserve Management Policy. The need for parcel tax has been lessened by this being the first year of a contribution by the Enterprise Funds (Water, Sewer, and Solid Waste). The remaining \$528,582 of Measure E Parcel Tax will be applied to Roads Capital (Fund 723), also dictated by the Reserve Management Policy.

Enterprise Fund Revenues

We are entering the 3rd year of a five-year, overall increasing rate structure for all Enterprise funds.

Northstar Water System (NWS). Base Operating and Capital revenue has been budgeted based on the current customer count and an increase by 2.5%. Consumption revenue has been conservatively budgeted with the expectation that consumption will decrease by 52.5% for the golf course and 5% for all other customer classes when compared to actual consumption for the prior twelve months (May 2020 – April 2021).

Martis Valley Water System (MVWS). Base Operating and Capital revenue has been budgeted based on the current customer count and an increase by 6.0%. Consumption revenue has been conservatively budgeted with the expectation that consumption will decrease 5% for all customer classes when compared to the prior twelve months (May 2020 – April 2021).

Sewer. Operating and Capital revenue is budgeted to increase by 3.5%.

Solid Waste. Operating and Capital revenue is budgeted to increase by 3.5%.

Connection Fees. Connection fees for Northstar Water System Capital Revenue (Fund 113) and Sewer Capital Revenue (Fund 213) have been budgeted based on 5 residential connections.

Miscellaneous Revenue

Office Building. Revenue for the old administration building at 908 Northstar Drive has been budgeted with the expectation that the current tenant will continue to lease the facility. Revenue inclusive of rental revenue and reimbursement for utility costs has been budgeted at \$30,000.

Expenses

Utilities. Utilities have been budgeted based on the prior twelve months of activity and have been adjusted based on any new accounts and rate increases of which we are aware. No significant rate increases have been programmed into the budget based on communication with Utility providers.

Contractual Services. The contracted services used for residential garbage pickup within the Solid Waste fund (Fund 310) have been budgeted based on the most recent customer count and a 3.78% increase.

Insurance. Property and Liability insurance for the District exclusive of Fire, expense has been budgeted to increase by 57.7% to \$303,870 due to the increased risks associated with wildfire and cyber security.

Leases. The lease payments for the Administration building are budgeted at the required amount of payment for the current fiscal year (\$263,300) and are represented as Capital Lease payments within fund 050.

Lease payments will be funded through a combination of contributions from Capital Revenue funds with the remainder to be funded through Administrative Operations (Fund 050). The Capital Revenue funds will provide funding based on the Administrative allocation in place for the budget year, as shown below.

Fund 113	Northstar Water System Capital Revenue - 20.6%	\$	54,240
Fund 123	Martis Valley Water System Capital Revenue - 17.2%		45,288
Fund 213	Sewer Capital Revenue - 29.8%		78,463
Fund 613	Fire Capital Revenue - 12.6%		33,176
	<i>Amount Funded through Capital</i>	\$	211,167
	<i>Amount Funded through Operations</i>		52,133
	Total Budgeted Lease Expense	\$	263,300

Personnel

Engineering and Utility Operations Labor Costs. Labor allocations for both Engineering and Utility Operations full-time employees has been budgeted based on an average of the last 4 years of labor activity.

Utility Operations Seasonal Labor anticipates the use of one seasonal employee during the winter months and one seasonal employee during the non-winter months. Allocations and overtime have been budgeted based on an average of the last 4 years.

Administrative Labor Costs. The budget anticipates no growth in administrative staffing.

Fire Labor Costs. The budget anticipates no changes to full-time staffing, five seasonal firefighters, the addition of a part-time Short-term Rental Inspector, and the transfer of two Fire & Life Safety inspectors from the Fuels Management fund.

Fuels Management Labor Costs. The budget anticipates no changes to full-time staffing and includes a Forestry Assistant to aid in Fuels Management efforts and Grant Writing/Reporting. The two Fire & Life Safety inspectors that had been included in years past have been transferred to the Fire fund based on the determination that defensible space efforts for homes are a function of Fire, whereas Fuels Management is concerned solely with the removal and disposal of forest fuels thereby lowering the risk of wildfire.

General Labor Costs. The budget includes a 4.13% Cost of Living Adjustment (COLA) for all employees as determined by the Consumer Price Index for Urban Wage Earners and Clerical Workers for the San Francisco-Oakland-Hayward area as measured from April 2020 to April 2021.

Benefits. Healthcare for all employees has been budgeted at an average of a 6.9% increase. This increase was determined by analyzing the trend of each healthcare plan with some being budgeted for an increase and some a decrease, each of varying amounts.

Dental, Vision, and Disability Insurance have been budgeted with no increase over the prior year.

Workers' Compensation has been budgeted to decrease by 34.9% to \$67,320.

Allocations

Engineering & Utility Operations (Fund 010)

The assumption used in budgeting for direct labor is that employees will work in a fashion represented by the average of the last four years of payroll data. That allocation is shown below. The majority of budgeted indirect labor/overhead follows the anticipated, monthly direct labor recognized by each supported fund.

Engineering:

<u>NWS</u>	<u>MVWS</u>	<u>Sewer</u>	<u>Solid Waste</u>	<u>Fuels Mgt</u>	<u>Snow</u>	<u>Roads</u>	<u>Trails</u>
Fund 110	Fund 120	Fund 210	Fund 310	Fund 620	Fund 710	Fund 720	Fund 810
37.3%	28.8%	8.8%	5.8%	0.1%	1.2%	10.3%	7.8%

Utility Operations:

<u>NWS</u>	<u>MVWS</u>	<u>Sewer</u>	<u>Solid Waste</u>	<u>Fuels Mgt</u>	<u>Snow</u>	<u>Roads</u>	<u>Trails</u>
Fund 110	Fund 120	Fund 210	Fund 310	Fund 620	Fund 710	Fund 720	Fund 810
30.9%	22.1%	14.5%	6.3%	0.2%	15.5%	4.4%	6.1%

The allocation of purchases of goods and services follows the direct labor trends for a four-year period rather than a single year as recognized with indirect labor/overhead.

Fleet (Fund 020)

The allocation of fleet expense is based on four years of historical expense data for the individual vehicles and equipment that make up the District's fleet inventory.

<u>NWS</u>	<u>MVWS</u>	<u>Sewer</u>	<u>Solid Waste</u>	<u>Fuels Mgt</u>	<u>Snow</u>	<u>Roads</u>	<u>Trails</u>
Fund 110	Fund 120	Fund 210	Fund 310	Fund 620	Fund 710	Fund 720	Fund 810
18.2%	14.9%	26.0%	2.1%	0.0%	23.4%	5.2%	10.2%

Administrative Operations (Fund 050)

The expense allocation of the Administrative Operations fund shall be revisited on a 5-year schedule coordinated with the recalculation of the District's Capital Replacement Plan (CRP). The last CRP was adopted on 09/19/18 and the update is scheduled for adoption 07/01/23.

The Administrative Allocation is based on a combination of the following two allocation methods:

- 1) Overhead and the purchase of goods and services has been budgeted based on an updated Modified Budget Share method which serves as a general allocation of overhead.

- 2) Individual employee labor has been allocated based on a thorough analysis of the time spent in support of District operations.

The resulting administrative allocation is shown as follows:

<u>NWS</u>	<u>MVWS</u>	<u>Sewer</u>	<u>Solid Waste</u>	<u>Fire</u>	<u>Fuels Mgt</u>	<u>Snow</u>	<u>Roads</u>	<u>Trails</u>
Fund 110	Fund 120	Fund 210	Fund 310	Fund 610	Fund 620	Fund 710	Fund 720	Fund 810
20.6%	17.2%	29.8%	4.6%	12.6%	2.6%	7.7%	1.9%	3.0%

Estimates and Assumptions

Snow Removal Operations Fund

The budget for Snow activity has been budgeted based on a 4-year rolling average and has been divided into two factors, one for AP and the other for Labor.

Significant Changes

Healthcare

Healthcare offerings by CalPERS will be restructured starting in January of 2022 at which point, the offering of three existing plans will be reduced to only two. At the time of budget creation, CalPERS has not released specific costs or benefits/coverages of the new offerings.

Property and Liability Insurance (non-Fire facilities and equipment)

Due to the estimation of catastrophic fire risk by insurance carriers, the District has seen substantial increases over the past budget cycles. In FY2019-20 rates increased 17.2% to \$137,270. In FY2020-21 rates increased by 40.4% to \$192,680. For the current budget year, based on receipt of the invoice and increased concerns surrounding cyber security by insurance providers, the District has budgeted a 57.7% increase resulting in a budget of \$303,870.

Internal Allocations

Beginning in the current budget year, the Northstar Water System, Sewer, and Solid Waste funds will be contributing 5.0%, 2.5%, and 2.5%, respectively, of budgeted revenues to the Fuels Management fund to aid in the removal and disposal of forest fuels thereby lowering the risk of wildfire. It is the belief of the District that the Enterprise funds operating in the Wildland Urban Interface directly benefit from the wildfire mitigation efforts of the District and are, therefore, partially responsible for the expenses incurred by the program.

Noteworthy Capital Purchases & Projects

Outside of a Utility Operations Equipment Charging and Parking Project and a contribution to a Fire Regional Training Center, there is little capital activity planned for the upcoming year.
